To see a World in a Grain of Sand
And a Heaven in a Wild Flower,
Hold Infinity in the palm of your hand
And Eternity in an hour.

A Robin Red breast in a Cage
Puts all Heaven in a Rage.
A dove house fill'd with doves & Pigeons
Shudders Hell thro' all its regions.
A dog starv'd at his Master's Gate
Predicts the ruin of the State.
A Horse misus'd upon the Road
Calls to Heaven for Human blood.
Each outcry of the hunted Hare
A fibre from the Brain does tear.
A Skylark wounded in the wing,

A Cherubim does cease to sing.
The Game Cock clipp'd and arm'd for fight
Does the Rising Sun affright.

Every Wolf's & Lion's howl
Raises from Hell a Human Soul.
The wild deer, wand'ring here & there,
Keeps the Human Soul from Care.
The Lamb misus'd breeds public strife
And yet forgives the Butcher's Knife.
The Bat that flits at close of Eve
Has left the Brain that won't believe.
The Owl that calls upon the Night
Speaks the Unbeliever's fright.
He who shall hurt the little Wren
Shall never be belov'd by Men.
He who the Ox to wrath has mov'd
Shall never be by Woman lov'd.
The wanton Boy that kills the Fly
Shall feel the Spider's enmity.
He who torments the Chafer's sprite
Weaves a Bower in endless Night.
The Catterpillar on the Leaf
Repeats to thee thy Mother's grief.
Kill not the Moth nor Butterfly,
For the Last Judgement draweth nigh.
He who shall train the Horse to War
Shall never pass the Polar Bar.
The Beggar's Dog & Widow's Cat,
Feed them & thou wilt grow fat.

The Gnat that sings his Summer's song
 The poison of the Snake & Newt
 Is the sweat of Envy's Foot.

Poison gets from Slander's tongue.
